OGDEN DEFEATED FOR
EIGHTH TIME BY
SALT LAKE

"Kitty" Knight, on whom the Ogden baseball club placed its hopes for the stopping of the Cannons' slump, yesterday afternoon on Lucas field met his Waterloo, when the Sea Gulls fell on him for 8 hits in 2 2/3 innings, the double-quartette of swats proving good for six runs. Galsano was then sent in and allowed 5 hits in the remaining 5 1/3 frames, which counted for 3 runs more. Two errors by Murphy and one apiece by Ellis and Galsano, also counted in the run getting. "Swede" Risberg came back strong on the field yesterday, getting six putouts and 5 assists without an error.

Morgan went the nine innings for the Salt Lake team and pitched a no-hit game. The Cannons, however, got one run across. This happened in the sixth inning, when Ellis got a pass, went to third on a grounder by Jones, which Potts booted and went home on a sacrifice fly hit out by Cobb.

ERRORS CAUSE BUTTE
TO LOSE GAME
TO BOISE

Butte, Mont., May 29.—Loose fielding and inability of Butte to hit with men on bases gave today's game to Boise, 6 to 3. Kuss, who was able to deliver only a straight ball, was jerked in the fourth inning after he had given two passes and hit Marshall. Meltzer got out of the hole after allowing one run. From then on Meltzer was never in danger until the ninth inning, when "Ducky" Holmes, who has come to the plate as a pinch hitter in three games, got his third hit in three times up and drove in Lewis, who had been walked to third base. Smith and Pendleton could not hit and the game was lost.

Smith caught his first game since his injury in Salt Lake, but the Irigators took freedom on the sacks.

Jackson pitched an uncertain game for Butte, but five flagrant errors back of him gave the southerners the game from the first inning when three runs counted.

McClendon, after missing three easy rollers, speared a line drive for an assisted double play. Moorehead continued his timely hitting.

TEN INNING GAME IS
WON BY INFANTS
IN HELENA

Helena, Mont., May 29.—For a while in the ninth inning today it looked as though Helena were going to pull the game out of the fire again. The Vigilantes hit safe seven times for seven runs, which made the score 9 all and sent the contest into overtime. In the tenth Murray drove home the deciding tally while Helena was unable to register.

Murray got sixteen hits off the two pitchers used by Helena, and this, together with six boots chalked up to the discredit of the local club, gave the visitors their first victory of the series.

Ames, who started for Helena, was hit for four runs in the first inning, two in the fourth and three in the eighth. When things began to look bad in the tenth Todd was sent in to take Ames' place, and he gave the visitors the score which won.

Murray used three pitchers. French started, but was yanked in the first after he had let in two runs. Cresspi held the locals scoreless until the ninth, but after he had allowed two hits and a pass in that inning he gave way to Dawson. The latter was unable to stop the onslaught, however, and the locals drove over seven runs.
